# ESCAPE THE HINDENBURG WITH HUGO AND MR. SINGER

Imagine you, Hugo, and Mr. Singer are facing down Colonel Kohl when suddenly... **KABOOM!** To escape the fiery airship, answer questions 1–4, then use the numbers under the letters to spell a phrase from the book in question 5. (Need a hint? Use the page numbers to find the word in the novel.)

1. As the tail of the zeppelin drops, you all fall to the floor and start sliding. While freeing yourself from the heap of people, you look up and see something terrifying: *fire on the airship that is filled with \_\_\_\_\_ gas!* (pg. 76)
